

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MT. OLIVET)	CASE NO. 9918-TTT
NATURAL GAS COMPANY, INC.)	

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On June 18, 1991, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective June 1, 1991, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mt. Olivet's notice of June 18, 1991 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$253 or 0.62 cents per Mcf.

2. Transmission filed an application with the Federal Energy Regulatory Commission for decreased rates with an effective date of June 1, 1991. Transmission's rates are subject to refund; hence, Mt. Olivet's rates should be subject to refund.

3. Mt. Olivet should file with this Commission the amount of any overcollections received from June 1, 1991 to the date the approved rates are implemented, along with a refund plan.

4. Mt. Olivet's adjustment in rates under the PGA provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after June 1, 1991, subject to refund.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after June 1, 1991, subject to refund.

2. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

3. Within 30 days of the date of this Order, Mt. Olivet shall file the amount of any excess revenues collected, along with a refund plan.
